# eBrochure

## Where can I use eBrochures?

### Marketing

Use interactive content to get more leads and convert visitors into buyers more efficiently.

### Sales

Turn catalogues into additional sales channels and give better pitches when talking face-to-face with a prospect.

### Education

Interactivity greatly benefits teaching processes. Use eBrochure to help students easily digest new information.

### Compatible with Mobile Devices

### Share on Social Media

### Links

Active links to websites, emails, and telephone numbers.

### Bookmarks

Easily bookmark pages from your eBrochure.

### Pop-up Images

Add enlarged product images to your catalog.

### Videos

Engage people who prefer watching to reading.

You can embed **YouTube** videos anywhere on the page, and they will work on any device.

### Shopping Cart

Customers can instantly add a needed item to the shopping cart and browse for more without leaving the pages of your catalog.
